# PLAY THE GAME

WINNWELL has been a part of Canada’s favourite pastime since 1906. Our commitment to manufacturing high quality gear that provides the best value for players has never been stronger than it is today.

From sticks to protective equipment – you can count on WINNWELL hockey products to perform.

# PLAYER STICKS

WINNELL is continuously adapting its assortment of sticks to meet the changing demands of players. From improving construction methods to refining pattern availability, we're committed to delivering the highest possible performance at the lowest possible cost.

In this construction method the shaft and blade are moulded separately and fused together in the finishing process to create a durable composite stick that will last.

# WINNWELL DOESN'T JUST MASK ODOURS, WE ELIMINATE THEM.

**CLEANSPORT**  
**NXT** NATURAL  
ODOR  
CONTROL

WINNWELL equipment features patented CleanSport NXT technology that kills bacteria that causes odour with a specially treated fabric.

The fabric contains beneficial microbe and enzyme systems that digest the sweat and odour, instead of just masking it, so it's guaranteed to work for the lifetime of the equipment.

# NETS & TARGETS

As an industry leader, WINNWELL is committed to expanding its selection of nets and targets to meet the evolving needs of today's players. Whether training in the backyard or a local rink, WINNWELL has the products to improve your game.

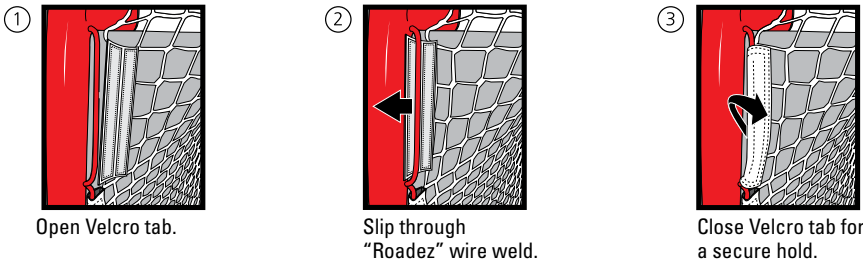

# QUIKNET SYSTEM

UNITED STATES PATENT NO. 8,506,428  
CANADIAN PATENT APPLICATION NO. 2,740,491

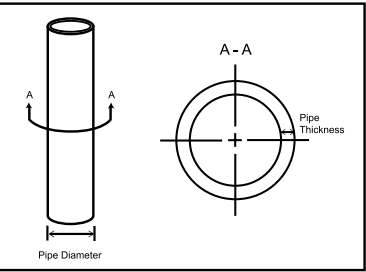

Compared to a traditional lace up mesh system, QuikNet drastically reduces installation time by using built in heavy duty Velcro tabs that wrap around the "Roadez" wire weld system in 3 easy steps:
