SHERWOOD
PLAYRITE

SHERWOOD
PLAYRITE

With four different sizing options, the stick lengths and flex levels fit youth players as they grow, enabling them to improve their shots and help them to enjoy the game.

IMPROVE YOUR SKILLS

Give your child the ability to learn how to properly load the stick and improve their shot and stickhandling skills at a young age.

ENJOY THE GAME

Hockey is a fun game and could be even more fun for your child with the proper gear tailored for young players!

FLEX YOUR STICK

A stick that a youth player can flex!

PLAY SAFE

Reduce the risk of injuries by using the proper stick length and flex.

SHAFT GEOMETRY

PLAYRITE 0 & 1 feature our youth geometry.
PLAYRITE 2 & 3 are built with a junior shaft size.

The shafts corners are more rounded than a senior stick to create better puck feel for small hands.

FLEXES

40 IN - YOUTH
